**EDUCATION**

Degrees	Institution and Location	Graduation
PhD	Tehran University of Medical Sciences (TUMS), Tehran, Iran	2012
MSN	Shiraz University of Medical Sciences (SUMS), Shiraz, Iran	2001
BSN	Mazandaran University of Medical Sciences (MUMS), Sari, Iran	1998
Associate's Degree	Babol University of Medical Sciences, Babol (BUMS), Babol, Iran	1996

**Post-graduate Training:**

Deakin University, Research Visitor	2024
SUMS, Virtual Medical Education Fellowship	2016-2017
AJUMS, School of Nursing, Incite Faculty Development Workshops	2014, 2016, 2020
AJUMS, Systematic Review and Meta-Analysis Research Course	2019
IUMS, Medical Journalism and Ethical Issues Workshop	2017

**PROFESSIONAL EXPERIENCES**

Academic Rank/Title/ Position	Institution	Dates
Iranian Nursing Board	Ministry of Health and Medical Education, Tehran	2024-present
Full Professor of Nursing	School of Nursing & Midwifery, Ahvaz	2024-present

Research Visitor	Deakin University, Melbourne, Australia	2024-2024
Vice Chancellor for Research	School of Nursing & Midwifery, Ahvaz	2013-2015, 2020-present
Editor in Chief	Jundishapur Journal of Chronic Disease Care	2017-present
Head of Psychiatric Nursing Department	School of Nursing & Midwifery, Ahvaz	2018-2020
Associate Professor of Nursing	Ahvaz Jundishapur University of Medical Sciences	2017-2024
Founding Board	Nursing Care Research Center in Chronic Diseases	2015-present
Vice Chancellor for Education	Ahvaz School of nursing & midwifery	2016-2018
Program Director	Postgraduate program	2012-2014
Assistant Professor of Nursing	Ahuvaz Jundishapur University of Medical Sciences, Ahvaz, Iran	2012-2017
Instructor of Nursing	Ahvaz Jundishapur University of Medical Sciences, Ahvaz, Iran	2006-2012
Program Director	Azad Islamic University, Behbahan Branch	2010-2015
Instructor of Nursing	Shiraz University of Medical Sciences	2001-2004

**Professional Positions:**

2024-present Member of the National Board of Nursing  
2012-2013 Director of postgraduate students in nursing and midwifery  
2012-2015 The Head of Psychiatric Nursing Department

2017-present Editor in chief of Jundishapur Journal of Chronic Diseases Care (JJCDC)  
2016-present Founding Board of the Nursing Care Research Center for Chronic Diseases

**Licensure & Certificates:**

2005- present Registered Nurse, Iran (8438519)

2006-present      Psychiatric Nurse Practitioner (Iran)

## **Research Experience**

### **COVID-19 Related Research Projects:**

**1. The effect of the progressive muscle relaxation technique on stress, anxiety, and depression in nurses caring for COVID-19 patients: a randomized clinical trial**

Sponsor: AJA University of Medical Sciences

Years: 2020-2022

Grant amount: 30,000,000 IRR.

Achievements: two articles published in peer-reviewed journals

**2. The role of cognitive emotion-regulation strategies in the quality of life of COVID-19 patients of Razi Hospital in Ahvaz, 2020**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Years: 2020-current

Grant amount: 30,000,000 IRR.

Achievements: ongoing

**3. Exploring of nonconformity to quarantine rules, while prevalence of COVID-19: A qualitative study**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Years: 2020-2022

Grant amount: 44,900,000 IRR.

Achievements: one article published in a peer reviewed journal.

**4. Factors associated with nonconformity to quarantine rules, while prevalence of COVID-19**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Years: 2020-current

Grant amount: 44,500,285 IRR.

Achievements: ongoing

**5. Investigating the Relationship between Shift Work and Medication errors of Nurses Working in Teaching Hospitals in COVID-19 Pandemic**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Years: 2021-current

Grant amount: IRR. 8,900,000

Achievements: ongoing

**6. A Study of the simultaneous effect of Covid 19 and air pollutants on respiratory and cardiovascular diseases: A review study**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Year: 2021-2022

Grant amount: 0 IRR.

Achievements: 1published one article in a peer reviewed journal.

**7. Evaluation of the type of home care of patients with COVID-19, and the degree of stability of their symptoms**

Sponsor: Ahvaz Jundishapur University of Medical Sciences

Year: 2020-2022

Grant amount: 29,700,000 IRR.

Achievements: 1 article published

**8. Final triage methods to decide on home-isolation versus hospitalization in the COVID-19 pandemic: a challenge for clinicians**

Year: 2020-2022

Grant amount: 0 IRR.

Achievements: 1 published one article in a peer reviewed journal.

**Funded Research Projects:**

No	Project title	Budget	Period
1.	Predicting academic procrastination based on internet addiction and personality traits in nursing students at AJUMS	18,000,000 IRR	2024-present
2.	People's experiences with eyebrow transplantation: A qualitative study	48,000,000 IRR	2024-present
3.	Investigating the relationship between successful aging, mental well-being, and perceived social support among the elderly in Ahvaz in 2024	19,000,000 IRR	2024-present
4.	The effect of peer-based education on resilience and life expectancy in women with breast cancer and their spouses refers to Yazd University of Medical Sciences clinics	25,000,000 IRR	2024-present
5.	Effect of Acceptance and Commitment Therapy (ACT) using two methods, internet-based and book therapy, on anxiety and depression in patients with breast cancer	19,600,000 IRR	2024-present
6.	Design and psychometric evaluation of an adjustment questionnaire for spouses of patients undergoing hemodialysis	26,000,000 IRR	2023-present
7.	Medication adherence, readmission rates, and the factors affecting them in patients with psychiatric disorders discharged from the psychiatric wards of hospitals of AJUMS	19,900,000 IRR	2023-present
8.	Explaining the adaptation process in liver transplant recipients: A grounded theory study	48,000,000 IRR	2023-present
9.	Predicting treatment adherence based on psychological well-being, social support, and health literacy in patients with heart failure referred to the teaching hospitals of AJUMS	19,900,000 IRR	2023-present
10.	Exploring the experiences of faculty members regarding ethical considerations in research and strategies for improving them: A qualitative study	52,900,000 IRR	2023-present

11.	Designing a model to predict self-care behaviors based on psychological well-being, social support, and self-efficacy in patients with type 2 diabetes referred to Khatam al-Anbiya (PBUH) Hospital in Shushtar City	29,900,000 IRR	2023-present
12.	Identifying and predicting symptom clusters in patients with advanced cancer: a multi-method study	58,900,000 IRR	2023-present
13.	Effectiveness of palliative drug treatments on fatigue in patients with advanced cancer: RCT	59,900,000 IRR	2023-present
14.	Investigating the effect of psychological resilience training on psychological well-being and resilience of adults with cancer referred to teaching hospitals in Ahvaz city	12,900,000 IRR	2023-present
15.	Study of the perception and attitude towards teamwork and its influencing factors among operating room personnel of hospitals affiliated with Jundishapur University of Medical Sciences, Ahvaz, in 2023	19,900,000 IRR	2023-present
16.	The effect of positive thinking training on tolerating the suffering and burden of care in mothers with cerebral palsy	10,500,000 IRR	2022-present
17.	Evaluating the perception and attitude toward teamwork and its related factors in teaching hospitals affiliated with Ahvaz Jundishapur University of Medical Sciences in 2022	39,900,000 IRR	2022-present
18.	Evaluation of factors affecting low back pain in operating room personnel by an artificial intelligence analysis method	42,100,000 IRR	2022-2024
19.	Psychometric evaluation of a Chinese version of auditory hallucination risk assessment scale (AHRAS) in patients with schizophrenia in Iranian population	49,000,000 IRR	2022-present
20.	Study of the prevalence of shift work-related health consequences in nurses working in hospitals of Ahvaz Jundishapur University of Medical Sciences	93,400,000 IRR	2022-2023
21.	Investigating the relationship between social support and mental health in pregnant women in Ahvaz	8,900,000 IRR	2022-present
22.	Investigating the relationship between Shift Work and Medication errors of Nurses Working in Teaching Hospitals amidst the COVID-19 Pandemic	8,900,000 IRR	2022-present
23.	Development of a community-based care service package for adults with severe and persistent mental disorders	41,000,000 IRR	2022-2025
24.	Comparison of personality traits of couples with experience of Infidelity in those who refer to counseling centers in Ahvaz in 2021	5,000,000 IRR	2022-2023
25.	A Study of the Simultaneous Effect of COVID-19 and Air Pollutants on Respiratory and Cardiovascular Diseases: A Review Study	--	2021-2022

26.	Predicting the quality of life of hemodialysis patients who were referred to AJUMS based on perceived social support, spiritual well-being, health literacy, and resilience using the Structural Equation Model (SEM) and Artificial Neural Network (ANN)	4,900,000 IRR	2021-2022
27.	Curriculum Design for the MSc in Infection Prevention and Control in Nursing.	40,000,000 IRR	2022-2024
28.	Association between sociodemographic variables, anthropometric indices, sleep quality, physical activity, and diabetes mellitus in the Hoveyzed Cohort Study	30,000,000 IRR	2022-2023
29.	A Study of the Effect of Air Pollutants on Physical, Mental, and Social Health: A Review Study	0	2022-2022
30.	Frequency of self-medication and its effective factors in the families of Ardabil, Isfahan, and Khuzestan provinces	50,000,000 IRR	2022-present
31.	Evaluation of the type of home care for patients with COVID-19 and the degree of stability of their symptoms	29,700,000 IRR	2022-2022
32.	Evaluation of nutrition status and its related factors in adult patients with coronavirus hospitalized in Ahvaz Razi Hospital	28,500,000 IRR	2022-present
33.	The role of cognitive emotion-regulation strategies in the quality of life of COVID-19 patients of Razi hospital in Ahvaz: 2020	30,000,000 IRR	2022-present
34.	Factors associated with nonconformity to quarantine rules, while the prevalence of COVID-19	44,500,285 IRR	2022-present
35.	Five-year epidemiological study of the risk factors for stroke in Ahvaz Educational Hospitals from 2018 to 2020	0	2022-2023
36.	Association of the effect of using the Peplau model on tokophobia, stress, and anxiety in pregnant women referred to public health centers in Ahvaz in 2020	9,800,000 IRR	2022-present
37.	Effect of positive thinking skills training on the happiness and resilience of nurses at Shahid Baqaei 2 Hospital in Ahvaz	16,300,000 IRR	2020-2022
38.	Exploration of nonconformity to quarantine rules during the prevalence of COVID-19: A qualitative study	44,900,000 IRR.	2020-2022
39.	Designing and validating an adaptation tool for spouses of women undergoing mastectomy	12,500,000 IRR	2019-2023
40.	Effect of self-care education on the general health of adolescents with thalassemia in Ahvaz, 2019	16,700,000 IRR	2019-2021

41.	Explaining the process of managing urinary incontinence in elderly women: A grounded theory study	44,900,000 IRR	2019-2022
42.	The relationship between alexithymia, depression, anxiety, and perceived stress with mobile phone addiction in students of the Nursing and Midwifery Faculty of Khuzestan Province in 2019	28,300,000 IRR	2019-2024
43.	Explaining the effective factors on the burnout of nurses in the oncology department and their relation to personality factors	11,450,000 IRR	2019-2022
44.	The effect of group reality therapy on adherence to the therapeutic regimen and improvement of health indicators in patients with Diabetes Type 2	9,900,000 IRR	2019-2024
45.	Comparing the effect of play therapy and storytelling on preoperative anxiety in preschool age children In Ahvaz Golestan Hospital 2020	15,200,000 IRR	2019-2023
46.	The Relationship Between Adhering to Ethical Principles and Job Motivation and Aggression in Nurses Working in Educational Hospitals in Ahvaz, 2019	6,000,000 IRR	2019-2022
47.	A study on the relationship between depression, anxiety, and religious attitudes with self-care behaviors in patients with heart failure referred to educational hospitals in Ahvaz in 2019	7,920,000 IRR	2019-2022
48.	The study of the relationship between self-care, coping strategies, and spiritual health in patients with type II diabetes referred to the diabetes control center in Ahvaz, 2019	11,580,000 IRR	2019-2022
49.	Assessment of anxiety, depression, and quality of life in patients with heart failure in hospitals affiliated with Ahvaz Jundishapur University in 2019	5,700,000 IRR	2019-2024
50.	Relationship between Internet addiction, loneliness and interpersonal problems in nursing and midwifery students of Khuzestan province in 2018	43,050,000 IRR	2018-2024
51.	The Effectiveness of Group Therapy Based on Acceptance and Commitment on Hope and Perceived Social Support of Hemodialysis Patients	36,550,000 IRR	2018-2022
52.	Investigating some of the factors associated with the psychotropic substances use in women referred to addiction treatment centers in selected cities of Khuzestan province	14,000,000 IRR	2018-2020
53.	The Relationship between Social Support and Social Capital with Job Burnout of Nurses in Ahvaz Hospitals	3,500,000 IRR	2018-2021
54.	Study of the frequency of Violence Against Nurses and its Influencing Factors in Abadan Hospitals in 2019	3,000,000 IRR	2018-2021
55.	Investigating the Effectiveness of acceptance and Commitment therapy (ACT) on Cognitive and Emotional Problems in Patients with Multiple Sclerosis	5,100,000 IRR	2018-2020

56.	Investigating the relationship between religious attitude and open and secret anxiety and self-esteem in students of Shoushtar medical school in 2018	22,000,000 IRR	2018-2020
57.	Effectiveness of Discussion with Simulation Training on Quality of Nursing Care in (ECT)	5,100,000 IRR	2018-2020
58.	Developing a hospice care delivery system for adults with cancer	30,070,000 IRR	2018-2022
59.	The effect of acupressure on pain intensity and perception and physiological indicators of male addicts in addiction retardation camp	10,000,000 IRR	2018-2020
60.	Comparison of the effect of massage therapy with music therapy on pain intensity and fatigue in adult patients with acute leukemia	5,700,000 IRR	2017-2020
61.	Relation between individual image and satisfaction of body with depression and marital status in patients with psoriasis	47,500,000 IRR	2017-2020
62.	Designing and Psychometrics of a Care Needs Assessment Tool in Patient With second-degree Burn admitted	17,600,000 IRR	2017-2019
63.	Explain the process and development of self-assessment instrument for faculty members of Ahvaz based on attitudes of students	29,950,000 IRR	2017-2019
64.	Survey of job satisfaction and its related factors in emergency personnel (pre hospital & hospital emergency) of Ahvaz University of Medical Sciences in 2016	11,700,000 IRR	2016-2019
65.	Sleep Management Process in Shift Worker Nurses and Presentation a Care Plan	55,000,000 IRR	2016-2019
66.	Exploration of "Burnout" Processes and Design of a Burnout Preventive Model for Nurses in Psychiatric Wards	28,500,000 IRR	2016-2018
67.	Exploring Parents' Caring Experiences of a Child with Hirschsprung's Disease	7,830,000 IRR	2016-2018
68.	The relationship between happiness and life expectancy with death anxiety in patients with Breast cancer in the hospitals of Ahvaz in 2016	3,500,000 IRR	2016-2018
69.	Impact of nurses' uniform color on the anxiety of hospitalized school-age (6-12) children in the pediatric wards of Ahvaz Golestan Hospital	44,500,000 IRR	2016-2018
70.	Development and psychometric validation of care needs questionnaire in the rehabilitation of patients with coronary artery disease	41,520,000 IRR	2015-2017

71.	Effect of group education on self-concept and self-efficacy of patients with intestinal stomas	3,600,000 IRR	2015-2017
72.	Survey of school-age children's anxiety and its relationship with maternal health, Dezful, 2015	6,180,000 IRR	2015-2017
73.	Lived experience of spouses of victims suffering from post-traumatic stress: a study of hermeneutic phenomenology	0	2015-2017
74.	Investigation of the types and causes of errors among nurses at Ahvaz Imam Khomeini Hospital, 2014.	13,400,000 IRR	2015-2017
75.	Exploration of the coping process among family caregivers in families with a hemodialysis patient and designing an appropriate model	44,500,000 IRR	2015-2017
76.	Drug compliance in severe and chronic mental disorders	23,218,480 IRR	2014-2016
77.	Exploring the Lived Experience of Patients with Psoriasis	27,000,000 IRR	2014-2016
78.	Explanation of experiences of betrayed spouses	5,750,000 IRR	2014-2016
79.	Exploring parents' experiences of the process of postoperative pain care in children: Providing an appropriate caring model	29,300,000 IRR	2014-2016
80.	Designing and psychometry of coping with transplant assessment questionnaire in the kidney transplantation patients	39,600,000 IRR	2014-2016
81.	Explore the experiences of parents and children for sexual development (Ahvaz, 2013); A qualitative case study	11,635,000 IRR	2013-2015
82.	The effect of organizational Culture Improvement Model of patient education on anxiety and satisfaction of hospitalized burn patients	8,400,000 IRR	2013-2015
83.	Exploring the process of Life management in family of children with Autism: designing and offering an applied model	34,600,000 IRR	2013-2015
84.	Exploring the Caring Process of Patients in a Vegetative State	38,050,000 IRR	2013-2015
85.	The effect of continuous care model on the side effect of chemotherapy in breast cancer patients	9,000,000 IRR	2013-2015

86.	Caring experiences of nurses working in burn units	15,050,000 IRR	2013-2015
87.	The effect of using Peplau's therapeutic Relationship model on anxiety and depression of candidate patients for coronary artery bypass	8,000,000 IRR	2012-2014
88.	Comparison of two educational and supportive program on problems and quality of life of hemodialysis patients	43,960,000 IRR	2012-2014
89.	Explanation of post traumatic growth process in individuals with traumatic spinal cord injuries	39,200,000 IRR	2012-2014
90.	Study of types of medication errors and affecting factors in the nurses who work in the hospitals of Ahwaz University of Medical Sciences	5,000,000 IRR	2012-2014
91.	The effect of family-centered empowerment model from educational program on Re-admission of the patient with schizophrenia	14,955,000 IRR	2012-2014
92.	Evaluation of quality of life of thalassemia patients referred to Ahvaz Shafa Hospital	9,050,000 IRR	2007-2009

### ***Selected Books:***

I have translated and authored more than 10 book that some of them are as follows:

1. Sharif F. Zarea H Dehbozorgi S. Dejbakhsh T. Mental Health Nursing. 3th ed. Tehran: Jamenegar; 2017
2. Zarea, K, Solmaz M, Kohpaye, Interpersonal Relationship in nursing, Peplau, H. Translation, 2019
3. Jahani S, Bigdeli F, Ashrafizadeh H, Zarea K. Policy and policy making in nursing, 2021, Lorestan pub.
4. Aemi, F. Mohammadi E, Zarea K. A guide for Sleep management for nurses who works as shift working. Jameenegar, Tehran, 2023

### **Selected conference presentation:**

No.	Title	Place	year
1	Introduction to Psychometry	Iran, Shiraz	2025
2	Introduction to Qualitative study	Iran, Abadan	2024
3	Global nursing research: Nurses International	Webinar, USA	2021
4	The role of cognitive emotional control strategies in the quality of life of COVID-19 patients	Iran	2021
5	Investigating the Factors Affecting the Clinical Symptoms of Irritable Bowel Syndrome	Iran	2019
6	Survey Of Knowledge, Worry and Screening Behavior Towards Breast Cancer Among Female Students of Ahvaz Jundishapur University of Medical Sciences	Iran	2019
7	Knowledge, attitudes and behaviors in the prevention of breast cancer in women in Iran: A Review of the Evidence	Iran	2019
8	Sexual Dysfunction in Women with Epilepsy: A Systematic Review	Iran	2019
9	Progressive Exhaustion: Experiences of Iranian Family Caregivers of the Patients Undergoing Hemodialysis: A Qualitative Study	Germany	2018
10	A survey of types and causes of medication errors and related factors in clinical nurse in Iran	Malaysia	2017
11	Commitment to hopeful care for patients with vegetative status at home: A qualitative study	Iran	2016
12	The relationship between sleep quality and depression in students of the School of Nursing and Midwifery, Ahvaz Jundishapur University of Medical Sciences	Iran	2016
13	Prevalence of drug self-medication among paramedical students of Ahvaz Jundishapur University of Medical Sciences in 2015	Iran	2015
14	Evaluation of the relationship between sleep quality and anxiety in students of the School of Nursing and Midwifery of Ahvaz Jundishapur University of Medical Sciences per year 2015	Iran	2015
15	Evaluation of depression, anxiety and stress in students of the School of Nursing and Midwifery of Ahvaz Jundishapur University of Medical Sciences in 2015	Iran	2015
16	A review of gestational diabetes and related factors	Iran	2015

17	A review of anxiety and depression in patients with coronary artery disease	Iran	2015
18	Investigating the relationship between Internet addiction and general health of Shushtar University of Medical Sciences students	Iran	2015
19	Study of obesity and some factors affecting it in male employees of Ahvaz District 7 Municipality	Iran	2015
20	self-perception in Iranian adolescents with diabetes: A qualitative study	Dubai-UAE	2015
21	The effect of family-centered empowerment model on hospital readmission	Iran	2014
22	Holistic care; Responding to the needs of burn patients: A qualitative content analysis study	Iran	2014
23	Lived experience of menopause women	Iran	2013
24	Experience of Iranian mental health nurses in inpatient psychiatric wards: A qualitative study	Darwin-Australia	2012
25	Effect of exercise on the elderly depression	Antalya- Turkey	2010
26	Quality of life in thalassemia patient and their care caregiver	Seoul-Korea	2009
27	Evaluation of depression, anxiety and stress in students of the School of Nursing and Midwifery of Ahvaz Jundishapur University of Medical Sciences in 2004	Iran	2005

**Professional Memberships:**

2019-present	Danish Diabetes Academy (DDA)
2005-present	Member, Iranian Nursing Organization (INO)
2008-present	International Conseil of Nurses (ICN)
2008-present	Member, Iranian Nursing Association (INA)
2014-present	Member, Iranian Psychiatric Nursing Association

**Courses Taught at SUMS:**

Fall 2006	N599C	Social-individual Psychology
Fall 2006	N502	Mental Health Nursing-1
Fall 2006	CSSS	Mental Health Nursing-2
Fall 2007	NURS 587	Medical-Surgical-4
Summer 2007	NURS 509A	Psychiatric Nursing
Winter 2007	N599C	Mental Health Nursing-2
Winter 2007	NCLIN593	Critical Care Nursing
Spring 2008	N599C	Research methods
Spring 2008	NURS405	Community Health Nursing-1
Summer 2008	NURS 201	Community Health Nursing-2

**Courses Taught at AJUMS:**

Fall 2008	OPR 587	Operation Room Requirements
-----------	---------	-----------------------------

Winter 2009	OPR 455	Circular and Scriber Nurse
Winter 2010	NURS 599	Mental Health Nursing-1
Winter 2010	NURS 205	Social and Individual Psychology
Winter 2010	MIDV 2541	Psychiatry in Midwifery
Winter 2010	NURS 391	Research Methods
Spring 2011	NURS 469	Nursing Research
Spring 2011	NURS 205	Nursing as a Career
Fall 2011	NURS 308	Fundamental Nursing
Fall 2011	NURS 557	Advanced Nursing Research
Fall 2011	SocWI 591C	General Psychology
Fall 2012	NURS 308	Basic Nutrition
Fall 2012	NURS 557	Advanced Research Method
Fall 2012	NURS 587	Nursing Challenges
Winter 2013	NURS 585	Educational Systems in the world
